Program Description:

Cathy Griffith is the President and Founder of the Greg & Cathy Griffith Family Foundation. Cathy is also a wife and mother of two amazing sons. However, she became a widow at the age of 48. Her husband, Greg Griffith, was diagnosed with stage IV pancreatic and liver cancer in February of 2010. Greg was told cancer was advanced and that his time was limited. In the prime of his life, he passed at age 50 after a heroic 19 month battle.

It was with hearing those words that he said to his doctor “What can Cathy and I do to help you?” The doctors were amazed to hear this from a terminally ill patient. At that moment a new trajectory for pancreatic cancer had begun with just those few words of hope spoken by Greg Griffith.

Greg and Cathy felt that it was through helping others that this would mend their broken hearts. It was and continues to be the passion that fuels Cathy’s desire to help change our world. The GFF continues its fight by uniting everyone and utilizing gifts and talents that have been bestowed on youth and adults alike! Hence, The Greg and Cathy Griffith Family Foundation began in 2010. To date, the GFF has raised over $260,000 for Pancreatic Cancer research and donates to the efforts of Dr. A. James Moser, BIDMC/Harvard Medical School for Pancreatic Cancer research.

Sideline Cancer® is trademarked and is our major campaign and has become the “signature” fundraising event for the Griffith Family Foundation. The Sideline Cancer concept started with a group of seniors at the Hollidaysburg High School in 2012. It started out as Tackle Cancer, which surrounded a
football game and T-shirt sale campaign. At the Penn State Altoona Symposium in 2013, the Griffith Family Foundation was introduced to Jack Andraka. Jack is the 2012 Intel Science and Engineering Fair Winner, Amateur Cancer Researcher, Education Activist, Medical Entrepreneur, and a Innovator. It was during his visit and by his suggestion of a name that would reflect all school activities and participation, not just one associated with football. The name I Can Sideline Cancer® was then birthed as a result of a collaborative effort from the Griffith Family Foundation and the high school students. The name Sideline Cancer® has been trademarked through the Griffith Family Foundation, I Can Sideline Cancer® events can be hosted by any school, university, or company, with proceeds going to the Griffith Family Foundation. Since it inception in 2012, this signature campaign has continued to unfold for high school and college student, with the very first club chapter in 2014 at St. Francis University.

High school students initiated this campaign and have since continued to spearhead it, along with guidance from Catherine Griffith. Each year, High School and/or College Students lead and coordinate Sideline Cancer events at their school/college. This unique and widely needed Pancreatic Cancer Awareness initiative strongly enforces and empowers youth in philanthropic involvement and entrepreneurial skill building.

It is with my highest recommendation that I, Cathy Griffith, President of Griffith Family Foundation, and our Griffith Family Foundation board of directors gives approval to ____________________________ to create or host an I Can Sideline Cancer fundraising event.

Sincerely,

Cathy Griffith
