Introduction

This packet will guide you through a process of forming a new student organization with the Griffith Family Foundation/Sideline Cancer Campaign. Forming a group can be a challenge, but it is a very rewarding process. To ensure success, the Griffith Family Foundation has designed a process that will help your group form a solid foundation so that your organization can succeed and provide valuable experiences for your fellow students.

There are many positive benefits associated with being a recognized group at school/university, including use of the Sideline Cancer logo and guidance in your fundraising activities.

There are necessary requirements to become a recognized student organization with GFF/Sideline Cancer. They are as follows:

- Create a constitution (see sample constitution in this packet)
- Recruit a minimum of ten members
- Secure a faculty or staff advisor
- Complete an Officer Report Form (included in this packet)
- Complete an Advisor Approval Form (included in this packet)
- Complete all school/university requirements for forming a new club/chapter

Once the group returns these materials to the Griffith Family Foundation, they will be reviewed and the group will be notified once the materials are reviewed. A student organization wishing to form can be denied recognition status for the following reasons:

- The purpose, mission, and/or activities violate federal, state, and/or local laws
- The purpose, mission, and/or activities violate Griffith Family Foundation policies and procedures

Should you have any questions or need any assistance throughout this process, please contact our office.
